PURSUANT to the provisions of sections 4, 9, and 13 of the "Esquimalt and Nanaimo Railway Belt Land Tax Act," being chapter 70 of the Statutes of British Columbia, 1950, His Honour the Lieutenant-Governor in Council has been pleased to approve the following regulations:—

REGULATIONS.

1. Title.

1-1. These regulations may be cited as the "Esquimalt and Nanaimo Railway Belt Land Tax Act Regulations."

2. Interpretation.

2-1. "Act" means the "Esquimalt and Nanaimo Railway Belt Land Tax Act."

3. Returns and Records.

3-1. The return required to be made by the Railway Company under section 4 of the Act shall be verified by affidavit and shall include in detail and in tabulated form the legal description of the land alienated, the number of acres alienated, the name and address of every person to whom each parcel of land has been alienated, the date of alienation, the stand of timber contained on each parcel of land alienated and the manner of alienation, and the consideration received for each parcel of land alienated.

3-2. The Railway Company shall also file a return with the Surveyor of Taxes within thirty days after the date of any alienation subject to this Act, in the form of a plan of each parcel alienated.

3-3. If demanded by the Surveyor of Taxes, a cruise plan for each parcel alienated which has trees thereon shall also be filed with the Surveyor of Taxes within thirty days of the date of any alienation subject to this Act. The cruise-plan return shall include a cruise of each parcel with trees thereon, and the cruise shall give the legal or other well-defined description of each parcel with trees thereon and the acreage thereof, together with a plan of the parcel divided into forty-acre areas that are not less than twenty chains square and showing the estimate of the timber by species for each forty-acre area or portion thereof as determined by a standard timber cruise of not less than ten per centum examination. The cruise plan shall be dated and signed by the cruiser and shall include an estimate of the grades of timber by species according to the standard log-grading rules in force at the date of the cruise, topographic features, and such other pertinent data that is ordinarily shown on a cruise plan. The Railway Company shall

also return at the same time a certified copy of the cruise plan on which the alienation was negotiated, and it shall also be signed and dated by the cruiser.

3-4. When demanded by the Surveyor of Taxes, the Railway Company shall file returns pursuant to Regulations 3-1 to 3-3, inclusive, with respect to lands alienated between the twentieth day of February, 1946, and the twenty-ninth day of March, 1950, both days inclusive.

3-5. The owner and occupier of lands alienated by the Railway Company shall make an annual return to the Surveyor of Taxes in the form as set out in section 33, subsections (1) and (2), of the "Taxation Act" unless the Surveyor of Taxes has notified the owner or occupier of the lands in writing that an annual return is not required under this Act.

4. Assessment, Collection, and Manner of Payment.

4-1. Upon receipt by the Surveyor of Taxes of returns made under section 4 of the Act and Regulations 3-1 to 3-5, inclusive, the Assessor shall forward an assessment and taxation notice to the owner, which shall include the following details:—

- (e) The amount of the tax less discount of ten per centum, applicable if the tax is paid within three months of the date of the assessment:
- (f) A statement of the manner in which the tax may be paid by instalments, together with the amount of the first instalment and the times when the instalments are payable:
- (g) The time and manner in which to give notice of appeal and such other information as the Minister may deem necessary.

4-2. Pursuant to section 9 of the Act, the tax may be paid in full within three months of the date of the assessment subject to discount, or by instalments within ten years of the date of the assessment. For the purpose of these regulations, payment in full within three months of the date of the assessment shall be known as "Option One," and payments by instalments shall be known as "Option Two." If the owner fails to pay the total tax within three months from the date of assessment under Option One, he shall be deemed to have elected Option Two, and unless the first instalment is paid within such time, it shall be deemed to be delinquent.

4-3. Whenever Option Two is elected, the Provincial Collector shall notify the owner on the fifteenth day of December in each year, in which a balance of the total tax remains unpaid, of the amount of the tax instalment for the following calendar year, based on the ratio of the value of the trees cut during the twelve-month period ending on the thirtieth day of September in that year to the total assessed value of the land, or one-tenth of the total tax levied, whichever amount is the greater, and the said tax instalment shall be due and payable on the second day of January of the following year, and if not paid by the thirtieth day of April immediately following, it shall be deemed delinquent.

4-4. The instalment tax notice sent to the owner under Regulation 4-3 shall include the following details:—

(g) Such other information as the Minister may deem necessary.

4-5. Where land, which is subject to this Act, was alienated by the Railway Company before the thirtieth day of March, 1950, and where the owner elects Option Two for payment, the first tax instalment shall amount to one-tenth of the total tax or shall be equal to the ratio of the value of the trees cut from the date of alienation up to the thirtieth day of September, 1949, to the total assessed value of the land, being whichever amount is the greater. This tax instalment shall be deemed delinquent if it remains unpaid three months after the date on which the notice, issued pursuant to Regulation 4-1, has been sent to the owner.
